**I Love My Job

"I'm the most fortunate Oblate in our province, working in this atmosphere of joy and growth."

The Reverend Clarence Zechman, OMI, Chaplain

"I love serving this community so much — I often stop by on my day off just to get re-energized. There's a very special and contagious spirit among our people. They're at a stage of life where they recognize their vocation to grow old graciously, productively and joyously. I love not only aiding them spiritually but learning from them, being inspired by them — sharing their daily successes and joining in their sorrows.

"Not to mention celebrating together! For Halloween some of us wore costumes and became 'as little children'. And all through the Christmas season there were small incarnations — God among us at every turn.

"We are a family. We draw strength, sustenance and joy from one another. If I can claim to inspire them, I must say they do the same for me, many times over."
