**Now You
See It...**

**Introducing the
SecretEar Canal Aid.**

Now there's one sure way to enjoy better hearing without others ever knowing that you're wearing a hearing aid. By wearing the SecretEar canal aid.

Even though SecretEar is so tiny, you'll be amazed at what a big improvement it will make in your hearing and understanding. That's because SecretEar is custommade for your exact hearing requirements. And it contains sophisticated circuitry that maximizes your ear canal's natural resonance, giving you a clearer, more natural sound.

If you've been ignoring a hearing problem because you didn't want others to know, the tiny SecretEar is just what you've been waiting for.

And it will probably be the best-kept secret you'll ever have.

**They think
they're covered for
long-term care.**

But they're wrong.

It's an age-old story. A couple thinks their health insurance plan provides complete coverage. Until one of them needs long-term care services. Suddenly, they've got a big financial problem. Because neither traditional health insurance nor Medicare covers long-term care.

Now, there's a way they can protect themselves from the high costs of long-term care.

It's Care Directions.
The flexible plan from Finger Lakes Long Term Care Insurance Company. Care Directions covers virtually any long-term care services you'll need. From custodial care at home or in an adult day care center. To care in a nursing home, if you need it.

Do something now, before long-term care becomes a problem to you. Find out more about Care Directions.
