**"Who Has  
Standards  
Of Service  
Anymore?"**

*When it seems old-fashioned,  
honest service is sometimes  
forgotten, we can assure you  
we'll never lose sight of our  
philosophy: "Service measured  
not by gold, but by the Golden  
Rule." We treat you as we  
would wish to be treated.*

*That's because we're your local Golden Rule Funeral Home. And we provide service based upon the Golden Rule ... "Do unto others as you would have others do unto you."*

**St. Joseph's  
Achieves Top 10%  
Ranking for Quality**

The Joint Commission on Accreditation of Healthcare Organizations (JCAHO) is the national organization that accredits all hospitals in the United States.

From the smallest rural hospital to the largest, most sophisticated university teaching hospital, all hospitals face a rigorous and comprehensive review of their quality by outside physicians and nurses.

The JCAHO evaluates many areas of the hospital's operations, such as:

- Medical staff review
- Infection control
- Surgical case review
- Emergency services review
- Patient education
- Continuous quality improvement

The highest distinction the JCAHO can give is to rate a hospital in the top ten percent of all hospitals in the nation.

**Only one local hospital  
has achieved this  
distinction of excellence.**
