The Dominican Sisters Of Hawthorne.

We nurse incurable cancer patients in our seven free, modern nursing homes, located in New York, Pennsylvania, Ohio, Massachusetts, Georgia and Minnesota. Many who enter our community have no prior nursing experience, but we all share a great compassion for the suffering poor and delight at being able to help them. We seek women who are full of love for Christ, and desire to join a congregation with a strong spiritual and community life. **R-NY**
