**PRESIDENT BUSH'S
VETOES OF PRO-ABORTION LEGISLATION**

- HR 3026 - Would have allowed the District of Columbia to use "local" funds to pay for abortion on demand.
- HR 3610 - Second attempt to allow use of "local" funds to pay for abortion on demand in the District of Columbia.
- HR 2990 - Boxer Amendment - Would have allowed Medicaid funding of abortions in cases of rape and incest.
- HR 2939 - Would have reversed the Kemp-Kasten Amendment to the foreign aid bill, and would have allowed funding of organizations that support coercive abortion and involuntary sterilization (UNFPA).
- HR 2707 - Attempt to reverse Rust v. Sullivan. Bill would have required abortion counselling in federally funded family planning clinics.
- HR 2699 - Bill would have allowed the District of Columbia to use "local" funds to pay for abortion on demand.
- HR 2507 - Would have required federal funding of abortion-dependent fetal research.

ONLY ROW D WILL SHOW PRO-LIFE STRENGTH
