

Almost Every Third Baby Dies from Abortion

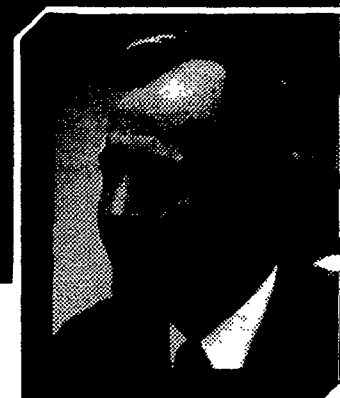

"I set before you Life and Death, the blessing and the curse; Choose Life then that you and your descendants may live." Deuteronomy 30:19

The choice has never been clearer . . . the stakes have never been higher. This year's Presidential election will be a life or death decision for millions of unborn children. Their fate is in your hands as you vote. Without life, every other issue is meaningless. So before you vote, ask yourself, who can be trusted . . . with life?

Who Can Be Trusted With Life? FOR U.S. PRESIDENT

Bill Clinton

George Bush

- Bill Clinton has said he will sign legislation which would guarantee abortion for any reason . . . even as a method of birth control or for sex selection.
- Bill Clinton boasts that he has "fought against" parental consent laws in Arkansas and has said, "I'm opposed to parental consent" (Clinton Campaign letter 7/1/92, MTV 6/16/92)
- Bill Clinton now says he would sign legislation to restore federal tax funding of abortion. This contradicts earlier positions he took against tax funding of abortion. Clinton has now proposed a national plan to fund all abortions. (AR Gazette 7/16/91, NY Post 1/14/92, Clinton letter 9/26/86)
- Bill Clinton will make support for the current policy of abortion-on-demand a litmus test for appointments to the U.S. Supreme Court. (Bill Moyers interview 7/92)

- ★ George Bush supports legal protection for unborn children and supports lifesaving alternatives such as adoption.
- ★ George Bush supports parental consent laws and has called proposals to allow minors to obtain abortions without parental consent "crazy."
- ★ George Bush opposes tax funding of abortion. He has successfully vetoed every attempt by Congress to use public funds to promote or pay for abortions.
- ★ George Bush's administration has urged the U.S. Supreme Court to allow legal protection for unborn children. The Bush Administration has also filed successful briefs urging the U.S. Supreme Court to uphold pro-life state legislation such as parental notification and informed consent laws.

Ross Perot

- Ross Perot has said he would sign the same radical legislation Clinton supports which would guarantee abortion for any reason . . . even as a method of birth control or for sex selection. (Today Show 5/18/92)
- Ross Perot supports tax funding of abortion. (Meet the Press 5/3/92)

The children deserve a President they can trust . . . and so do you. For the children's sake . . . for everyone's sake . . .
