The Good News

At a Catholic school, your child will get an education for both mind and soul.

On the one hand, Catholic schools do what schools should do: Educate. Year after year, and science. They're also the most likely to graduate and go to college.

On the other hand, Catholic schools do something else: Build character. Catholic schools To learn how we can be the Good News in Education for your child, please vi information regarding: Open Houses — Program Information Nights — Registratio
