

Parishes, diocese slate 1993 Pre-Cana sessions

As explained in the article on page 5A, during the next three years, diocesan parishes will gradually assume from the diocese the responsibility for conducting marriage-preparation courses. During 1993, the diocese will conduct eight Pre-Cana sessions, with the remaining sessions being offered by individual parishes.

Parish-based sessions that have been scheduled through June, 1993, are listed below. Diocesan-offered sessions and other programs are listed in the box at bottom right.

For information on parish sessions, please call the contact people listed with the sessions. Directions for diocesan sessions are noted in the box.
