 MADE A WILL,
 THERE’S ONE
 MORE THING
 TO DO.”**

Considerate people who think to the future make wills preparing for the inevitable. More and more of these same people are also taking one more step. They’re prearranging their funerals at **Crawford Funeral Home**. This gesture means so much to their families, for it relieves them of making countless decisions regarding final tribute.

To learn more about prearranged funerals, please call us. Our counsel is always available free of charge and at no obligation.

THOUGHTS TO CONSIDER

**EDWIN SULEWSKI
 FUNERAL DIRECTOR**
 Why should I consult my family about my funeral plans?

Funerals are for the living! Many times plans made without family consultations will leave family members unhappy and dissatisfied. Telling close family members that you would like to have a serious discussion about your plans for your funeral and inviting them to help with the arrangements assures they understand your desires. It will also offer them an opportunity to tell you what they would prefer. Planning a funeral ahead of time is helpful. Don't neglect to take into consideration the wishes of those who will live after you. They are the ones who will benefit or suffer from choices you make.

 It's there when you need it.

Now, there is a special program where the elderly and persons with disabilities can live at home and spend their days at St. Ann’s.

The *Home Connection* is a unique concept in health care for elderly and people with disabilities.

The *Home Connection* offers people the best of both worlds: It enables them to live at home and spend their days at St. Ann’s, where they can take advantage of fully-staffed health services along with leisure time activities in a safe, secure environment. Services include:

- Personal care and bathing
- Hot meals and nutritional counseling
- Physical, occupational, and speech therapies
- Hearing evaluations
- Health monitoring and nursing care
- Social work counseling
- Religious services
- Social activities
- Transportation

We can also arrange special services like podiatry, dental hygiene, and trips to St. Ann’s beauty salon, barber shop and the Peartree store.

The *Home Connection* can mean something very special for people who need help: It means they can get skilled, professional care and daily socialization and recreation. They even stay under the care of their own physician. In addition, the *Home Connection* offers much needed respite for family members who help care for a person at home.

If you would like more information about the *Home Connection*, please call us at 342-1700.
