Announcing Banking On Rochester

First National Bank proudly introduces a new program designed to energize our community. And help you build your future. We call it Banking On Rochester.

It gives you all the best in banking services. Plus it contributes to businesses in need.

How You Can Participate in Banking On Rochester

Simply stop into any area office now through July 7, 1993. Open an account or take out a loan. Then we'll match an amount equal to one-half percent of

that money and place it in a special business action fund. For new VISA accounts, we'll donate \$5.00.

Remember: the bank contributes its own money toward this fund. Not yours.

What Banking On Rochester Means To Our Community

Banking On Rochester will generate up to \$150,000 to be put to work directly in our community. This fund will be administered by an independent committee of government, business and civic leaders. Grants of up to \$5,000 each will be made

available to newly founded and expanding businesses.

When a new business grows and thrives, it generates untold economic energy for the community. Jobs. Orders for suppliers. Goods and services we all need.

Let's Grow, Rochester.

Stop by any area office and open your new account, take out a loan, or apply for a new credit card. You'll be putting your money to work for you. Then First National Bank will put its money to work for our community.

Put Your Money Where It Grows Rochester.
