Pennies for Heaven

As Catholic school parents, we applaud the Diocese in its effort to encourage our children to collect pennies for children in need. But we strongly object to using the United Way as the channel for distributing the pennies to its agencies.

Funds to United Way mean funds to Planned Parenthood, the nation's largest abortion advocate and provider.

Donations to charity are free acts, deliberate choices, for which we must accept full moral responsibility. Those who freely and knowingly fund abortion providers must accept moral responsibility for the death of the innocent.

Our concern for all children, born and unborn, demands that the pennies raised by our children be contributed directly to a specific charity. No pennies to United Way means 100% of our donation will go to the charity of our choice and not one penny will fund Planned Parenthood and the ultimate child abuse - abortion.

Join us. Together, our prayers and our pennies will work for all God's children.
