## You don't have to sacrifice a solid education to be a good Mom.

The love a parent has for her child is so precious that it's difficult to express in words. It's also difficult for a working mother to find the time to pursue her career goals while caring for her family.

At MCC, we understand. We offer a variety of courses and times, day and evening, designed to fit into your busy schedule, plus a day care center conveniently located on campus.

Find out about all you can achieve at MCC. Call 292-3400 for more information or make an appointment with one of our admissions counselors. We believe good education and good Moms go together.

Come To Our Free  
Adult Information Night.
