## FABRIC CITY

Shopping at Fabric City is an unique experience. The owners, Jan and Helen Vorndran, along with their husbands, Charlie and Chuck, offer friendly service and are known to take the extra step to please their customers.

If you are looking for a warm, friendly atmosphere in which to shop, Fabric City is for you. Their customers often stop in just to chat and, when Jan and Helen are busy, it's not unusual to see one customer helping another or even answering the telephone.

The store's services cover a wide range — from alterations and mending to making drapes, patching tents and canvas and making boat covers. Fabric City is especially well-known for its excellent upholstery work.

On the store's shelves and racks you will find a variety of materials for clothing, drapes, upholstery and for crafts. Fabric City is noted for its large selection of buttons, and the store's offering of laces and trims has no parallel.

Helen, Chuck, Jan and Charlie are all parishioners of St. Stanislaus Church. Jan serves as president of the Parish Council, and Charlie is a lector and eucharistic minister for Sunday Mass. In addition, both couples actively participate in parish functions.

The store has been in operation for 16 years and is open Tuesday through Thursday 10-8; Friday 10-5; and Saturday 10-2.

Come in for a while and a smile!!

## HIDDEN MEADOWS

"A dream come true." That's how Bill and Donna Ehrmentraut referred to Hidden Meadows Community after almost nine years of hard work. "We burned the midnight oil, drank a lot of coffee, and had our share of disagreements," Donna remarked, "but when we reflect back on where we've come, we're both very proud of what we've accomplished."

In 1985, Bill and Donna began the initial planning process. This consisted of town planning-board meetings, getting the necessary permits and approvals from the county, state, health department, DEC and others. Sixteen years as a self-employed General Contractor for Ehrmentraut Excavating & Landscaping, Inc., gave Bill the background necessary to get this project underway, from the site preparation to installing water and sewer lines, to making it what it is today.

What started with four models in 1986 is now 84 homes with plans for 15 more in the final phase of the development.

Donna, who worked as a production supervisor at Delco Products from 1975-1985, oversees the everyday operations and keeps things running smoothly.

This low maintenance, Florida-style retirement community has a lot to offer. In addition to the many amenities these "top-of-the-line" homes come complete with,

there's also a club house for social and recreational activities. Most of the residents participate in weekly functions ranging from bus trips to card games, crafts, exercise class, or Saturday morning coffee hour.

Whatever it is you're looking for in a retirement community, you're sure to find it at Hidden Meadows — where dreams come true.

## LEEWARDS

Having recently opened a second store in the Stone Ridge Plaza in Greece, Leewards is Rochester's largest and most complete full-service craft store. Now with two convenient locations in Henrietta and Greece, both stores are chock full of kits, components and supplies to delight every crafter. From stitchery to yarn, floral to frames, art supplies to latch hook, they've got it all.

Leewards started out in 1949 as a mail-order craft store based in the Chicago suburb of Elgin, Illinois. Today, as the oldest craft company in the country, the company has over 100 locations coast to coast.

Although almost all Leewards stores in the country are company-owned, the two Rochester stores are franchises owned by Mr. and Mrs. David Godfrey. The Godfreys and their two children reside in Greece and are natives of Rochester.

"We feel we've got an edge on the competition," said Godfrey, "because of our ability to buy direct from suppliers, and in large volume. We can buy at a lower cost, and pass on a bigger savings to the customer. A huge selection of craft items and solid customer service put us head and shoulders above the rest."

Stop in to the Leewards closest to you and get started on those Christmas craft projects today. Now with 2 convenient locations to serve you -

## OLYMPIA RESTAURANT

In 1978, Saki and Mary Tzogas opened the Olympia Restaurant, located just around the corner from St. Charles Borromeo Church on Stone Road in Greece.

Nine years later, in 1987, they opened their second restaurant on Lyell Avenue at Howard Road in Gates. This restaurant is just up the road from St. Theodore's Church.

Open seven days a week for breakfast, lunch and dinner, both restaurants offer homestyle cooking and full take-out service. Dinner specials are served daily. Choose from Prime Rib, Steak, Seafood, Veal, Fresh Roast Turkey or Pork, or try one of their many Greek Specialties. Homemade soups are made fresh daily.

Fish is served every day — always fresh, never frozen.

Join them for a traditional turkey dinner with all the trimmings this Thanksgiving. Their Lyell Avenue restaurant will be open on Thanksgiving from 6:30am-8:00pm. The Stone Road location will be open 6:00am-3:00pm. Reservations are recommended for parties of six or more. Walk-ins are welcome.

The Lyell Avenue restaurant and lounge has a party room which can accommodate up to 80 people for any occasion. Make plans now to reserve a date for your Christmas party. And a gift certificate from the Olympia would make the perfect stocking stuffer.
