Great For Holiday Gift Giving

Rest assured, it will wake you up.

Quorum's A-160 Security Monitor is the security system that will blast 103dB (min.) if anyone forcibly opens a door or window. It simply detects any sub-sonic shock waves. Best of all, the A-160 works off a constantly charging battery, so it even operates during power outages. Only Quorum gives you that kind of technology and security.
