Now, there is a special program where the elderly and persons with disabilities can live at home and spend their days at St. Ann's.

Home Connection is a unique concept in health care for elderly and people with disabilities. Home Connection offers people the best of both worlds: It enables them to live at home and spend their days at St. Ann's, where they can take advantage of fully-staffed health services along with leisure time activities in a safe, secure environment. Services include:

- Personal care and bathing
- Hot meals and nutritional counseling
- Physical, occupational, and speech therapies
- Hearing evaluations
- Health monitoring and nursing care
- Social work counseling
- Religious services
- Social activities
- Transportation

We can also arrange special services like podiatry, dental hygiene, and trips to St. Ann's beauty salon, barber shop and the Peartree store. Home Connection can mean something very special for people who need help: It means they can get skilled, professional care and daily socialization and recreation. They even stay under the care of their own physician. In addition, Home Connection offers much needed respite for family members who help care for a person at home.

If you would like more information about Home Connection, please call us at 342-1700.
