

AS A CHILD

Students mind P's and Q's at graduation party

Fifth and sixth-grade students at Our Lady Of Lourdes School in Brighton displayed their social graces in the school auditorium Dec. 16. The dance marked the end of a social etiquette program taught by Claire Leonard. Counterclockwise from top left: Karl Dobosz pours punch for Ashley Kittrell; Mariel Bernard and Bobbie Blaine dance by candlelight while moving to the hit country song "Achy Breaky Heart;" Leonard begins a receiving line at the dance's conclusion; students teach their parents a few moves; Emily Ianacone and Edward Wright concentrate while doing the fox trot. Leonard established the Seton Scholarship Fund, which is presented to a sixth-grader earning high grades and displaying exemplary social skills.
