

# CATHOLIC SCHOOLS ...

When you make a Catholic school your choice for education, you'll give your child  
Nationally, Catholic school students consistently outperform others on tests for the  
most likely of all students to go on to college.

Yet academic achievement is only one side of Catholic schools. Spiritual and moral values  
have a place in school. And in a Catholic school, your child will learn from people who  
share their faith.

To learn how you can make a Catholic school your choice for education, please contact your parish for  
information regarding: Open Houses – Program Information Nights – Registration
