Catholic Child Sponsorship For Just \$10 a Month

Little Conchita lives in a small village in the mountains of Guatemala. Her house is made of cornstalks, with a tin roof and dirt floor. Her father struggles to support the family as a day laborer. Your concern can make the difference in the lives of children like Conchita.

Your opportunity to help one very poor child is much too important to miss. And *Christian Foundation for Children and Aging is the only Catholic child sponsorship program working in the twenty desperately poor countries we serve.*

For as little as \$10 monthly, you can help a poor child at a Catholic mission site receive nourishing food, medical care, the chance to go to school and hope for a brighter future. *You can literally change a life.*

Through CFCA you can sponsor a child with the amount you can afford. Ordinarily it takes \$20 per month to provide one of our children with the life changing benefits of sponsorship. But if this is not possible for you, we invite you to do what you can. CFCA will see to it from other donations and the tireless efforts of our missionaries that *your special child receives the same benefits as other sponsored children.*

And you can be assured your donations are being magnified and are having their greatest impact because our programs are directed by dedicated Catholic missionaries with a long standing commitment to the people they serve.

You will receive a new picture of your child each year, information about your child's family and country, letters from your child and the CFCA quarterly newsletter.

Please take this opportunity to make a difference in the life of one poor child. *Become a sponsor today!*
