**New Programs Continue the TLC Tradition of Helping People Maintain Independence At Home**

Tender Loving Care Agency (TLC) is a full service licensed home care agency which was started in 1981 by the Underhill family of nurses. As nurses and as a family, they truly understand the importance of commitment and compassion when caring for loved ones. To further serve our community, TLC has initiated two new programs, both of which are available at home, in a nursing home, or in a hospital:

<p><b>FOOT CARE AT HOME</b></p> <p>TLC's Home Podiatric Specialist, Dr. Jeffrey Teibel provides total foot care at home. This unique program offers convenience, quality, and affordability.</p>	<p><b>COMPANION CARE</b></p> <p>Gain peace of mind knowing that someone is keeping a loved one company and watching out for his or her safety when you can't be around.</p>
