

It's amazing, isn't it...  
The God who hung the stars  
in the heavens,  
ordered the paths of the planets,  
and sculpted the landscapes of earth —  
this same all-wise, all-powerful God  
came to earth and walked among us...

And God did this  
for no other reason than  
to give us life and hope and peace.

What better reason  
could we have  
for celebrating?

# Merry Christmas!
