

THIS IS THE DAY THE LORD HAS MADE

Early in the morning on the first day of the week, while it was still dark, Mary Magdalene came to the tomb. She saw that the stone had been moved away, so she ran off to Simon Peter and the other disciple (the one that Jesus loved) and told them, "The Lord has been taken from the tomb! We don't know where they have put Him!" At that Peter and the other disciple started out on their way toward the tomb. They were running side by side, but then the other disciple outran Peter and reached

the tomb first. He did not enter but bent down to peer in, and saw the wrappings lying on the ground.

Presently, Simon Peter came along behind him and entered the tomb. He observed the wrappings on the ground and saw the piece of cloth which had covered the head not lying with the wrappings, but rolled up in a place by itself. Then the disciple who had arrived first at the tomb went in. He saw and believed. (Remember, as yet they did not understand the Scripture that Jesus had to rise from the dead.)

She saw that the stone had been moved away.
