FAITH in the WORKPLACE & PROFILE on BUSINESS

Publication Date: Thursday, May 11th
Advertising Deadline: Thursday, April 27th

Baptism calls every Christian to a "priestly" vocation in the secular world. This special supplement will focus on how various Catholics — from blue collar workers to heads of major corporations — live their faith in and through their jobs. It will address such issues as ethical pricing, compassionate human relations policies, fairness, and the decision to fire an employee.

Offer our readers a look at your business, from your perspective, and show them how their faith is incorporated in your business. An in-depth look at how you do business, what products and services you offer and how your faith has influenced your business practices. A Catholic Courier business advertorial is an excellent way to share your mission and business philosophy with our readers as you introduce or re-acquaint them to your business.

Each week the Catholic Courier is delivered to over 50,000 homes throughout the Diocese of Rochester. When you advertise in the Courier, you introduce your business to over 85,000 interested readers.

For additional information or to participate as an advertiser in the Courier's Faith in the Workplace Supplement, call your sales representative or the Courier advertising department at 716-328-4340.
