ONE COLLEGE RANKED IN
MONEY MAGAZINE'S TOP 100
FOR QUALITY AND VALUE
IS CLOSER THAN YOU THINK.

Money Magazine describes its Top 100 colleges as "schools that deliver the highest-quality education for the tuitions they charge." The rigorous criteria used to assess this quality/value ratio include the percentage of faculty holding the highest professional degree; the percentage of undergraduates who earn degrees within four years; and the percentage of graduates who go on to advanced study and career success. Nazareth College ranked number 13 in the northeast and number 71 nationally. This recognition of our commitment to excellence is welcome—it is also something Nazareth graduates have known all along. Call our Office of College Relations at 586-2525 for more information.

IT'S TRUE. IT'S NAZARETH COLLEGE.
