### MISSIONARIES OF THE PRECIOUS BLOOD

As members of a Congregation characteristic of the Apostolic Life, we strive to deepen our understanding of what God has done for us in the great art of the Shedding of his blood and allowing it, in turn, to direct our mission and ministry. We find strength in this reality, to build up and restore the many broken relationships that sear the human family. In that blood, which speaks more eloquently than that of Abel, we work to establish communication and dialogue where isolation and hatred have taken root. In that blood we struggle now for the justice that marks the presence of God among us.

Founded in 1815 by St. Gaspar Del Bufalo, we find ourselves in various countries throughout the world. Our charism is manifested through such ministries as foreign missions, parish ministry, chaplaincies, teaching and the spiritual formation of the laity.
