## Serving Your Health Care Needs . . .

St. Mary's Hospital is a Catholic community hospital, founded in 1857, whose purpose is to extend the healing ministry of Christ in the spirit of St. Vincent dePaul with emphasis on caring for all people with dignity, respect and compassion.

We are dedicated to excellence, accountability and innovation in responding to the community's changing healthcare needs. We strive to provide high standards of care by competent and caring staff in an atmosphere of concern for the well-being of the patient and each member of the family.

Our health care network comprises our main hospital campus, 18 primary care practices and 14 specialty care centers located throughout the community, including Brighton, East Rochester, Gates, Henrietta, Irondequoit, North Chili, North Greece, Penfield, Rochester and Spencerport.

St. Mary's and its affiliated physicians can serve your medical needs in a timely and convenient manner. Call 464-3519 to find a physician in your neighborhood who participates in your health insurance plan.
