

## More than medicine

Michalec makes a 'house call' at one camp to follow-up on the results of tuberculosis tests given to migrant workers who work for Sodoma's Farm Market in Brockport.

Michalec prepares TB shots for children attending the Migrant Education Program at Brockport's Nativity of the Blessed Virgin Mary School.

Marcella Morales Ross (center) of the Oak Orchard Community Health Center holds the arm of a nervous Jesenia Hernandez while Michalec administers a TB shot.

Michalec comforts a frightened Daniel Pollo, 4, after he received his TB shot.
