Schools' office sets 'free milk' policy

The diocesan Department of Catholic Schools has announced a free and reduced-price meal (free milk) policy for students in Catholic schools throughout the 12-county diocese.

The policy, effective from July 1, 1995, through June 30, 1996, sets specific eligibility criteria based upon income levels and family sizes. A chart stipu-

lating the eligibility figures - as well as a complete copy of the policy - can be obtained from the principal's office at each of

the participating schools.

Families whose incomes fall at or below the levels stipulated for their family sizes are urged to apply for free and/or reduced-price meals (or free milk) by filling out application forms that have been sent to parents. Application forms also are available from the principal's office at each school.

Applications may be submitted to the school principal at any time during the school year. Changes in employment, family income or size necessitate the submission of new applications. Information provided on application forms will be held in strict confidence and will be used only for the purpose of determining eligibility.

The school district does, however, reserve the right to verify information provided by parents at any time during the school year. If a parent declines to provide information to the school, his or her children will no longer be eligible for free or reduced-price meals (free milk).

In certain cases, foster children are also eligible for these benefits, and families interested in obtaining benefits for foster children should contact their children's schools.

Under the policy's provisions, a designated official will review applications and determine eligibility. If a parent is dissatisfied with a ruling made by the designated official, he or she may make a request - either orally or in writing - for an appeal hearing. Each school has designated an official to conduct hearings, and hearing procedures are outlined in the policy.

Prior to initiating an appeal procedure, a parent or School Food Authority may request a conference in which parents and officials may discuss the situation, present information and obtain an explanation of the data submitted in the family's application and of the decisions rendered.

A request for a conference shall not in any way prejudice or diminish a family's right to a fair hearing.

All questions on the application must be answered completely for the application to receive consideration by the school district. In addition, the form must be signed by a parent or guardian who certifies that the information is true and correct.

No child shall be discriminated against because of his or her race, sex, color, national origin, age or handicap. If any member of a household believes he or she had been discriminated against, he or she should write the Secretary of Agriculture, Washington, D.C. 20250.

A complete copy of the policy is on file in the office of the School Food Authority District Administrator, where it may be reviewed by any interested persons.

Parents seeking to find out which other diocesan schools are taking part in the program should call the Catholic school of their choice directly.
