

Be a part of Notre Dame High School's 1996 8TH ANNUAL LOTTERY CALENDAR

Plus 40 earlybird drawings totaling \$3,200 in prizes
*That's eight weeks of random drawings of \$80 each... -
(5 days a week x 8 weeks x \$80 = \$3,200)*

How the Earlybird Drawings work...
Beginning Sept. 25, 1995, we will randomly draw one Calendar member's name five days a week for eight weeks through Nov. 17, 1995. The earlier we receive your entry, the more earlybird chances you have to win!

How the Lottery Calendar works...
Every calendar has a four-digit number printed in the upper right-hand corner which we mail to you. This number matches the number printed on the bottom portion that we fill out with your name and address and retain for our records. Beginning January 1, 1996, \$100 is awarded every Wednesday and Saturday, and \$50 is awarded the other five days of the week for a total of \$450 every week. Winners are determined by a four-digit number. Winning participants are automatically mailed their prize money.

Proceeds from the sale of our annual calendar over the past seven years have been used for tuition assistance, campus ministry activities, academics and athletic programs. A list of winners is available at any time by simply contacting Notre Dame High School's calendar office. Any questions should be forwarded to Notre Dame High School at 716-343-2798.

What is Notre Dame High School?

Notre Dame High School is a Catholic high school in Batavia, New York founded on the belief that all students and their parents should have a choice in education. At Notre Dame, we offer all young people "an education that will last a lifetime!"

Notre Dame is the only Catholic high school serving students within a 35-mile radius. She opened her doors in Sept. 1952 and was dedicated by the bishop on the Feast of the Nativity of Our Lady on Sept. 8, 1952. In 1991, the high school became an independent institution.

Enrollment for the 1994-95 school year was 175, with an anticipated enrollment of 200 in 1995-96. Approximately 65 percent of our student body depends on some type of financial assistance for their education, and for the past seven years, our annual calendar sales have assisted with this need.

Our Mission Statement reads, "Notre Dame High School provides a Catholic education in a family atmosphere, embracing people of all faiths and recognizing the innate goodness and great potential of each individual. The educational program offers a variety of learning opportunities realizing that high expectations, enhanced by self-discipline and open communication, lead to excellence. Emphasizing the teachings of Jesus Christ and the Catholic Church, Notre Dame develops an adult with true vision ready to lead in an ever changing world."

Plus...Five Grand Prizes Annually

In addition to our daily prizes

- Valentine's Day — Feb. 14, 1996.....\$500.00
- St. Patrick's Day — March 17, 1996.....\$500.00
- Memorial Day — May 27, 1996.....\$500.00
- Independence Day — July 4, 1996.....\$500.00
