More than 200 members of Pearce Memorial Free Methodist Church braved a cold Dec. 1 evening to perform a five-stage living nativity scene. Observers could either walk or drive through the stages while listening to a recorded narration of the Biblical scenes being performed by church members. The stages, complete with horses, sheep, and a donkey, were performed on the church's grounds on the campus of Roberts Wesleyan College in Chili.

The Word of God
Came as a Baby
To Dwell Among Us
Oh, Come Let Us
Adore Him.
John 1:1-18
