Couples celebrate landmarks in married years

The names of the following couples celebrating their 25th, 50th, 60th or 65th plus anniversaries in 1996 were submitted to the *Catholic Courier* in response to a request sent out through diocesan centralized mail and published in many parishes' bulletins. The list includes only those couples celebrating the anniversaries mentioned in the request and whose information reached the *Courier* by the March 21 deadline — plus one couple whose anniversary fell on the date of publication.

The *Courier's* staff extends congratulations to these couples and to all couples living out their vocation of marriage.

MISSION NEWS

In Kitova, Uganda, where St. Joseph's Catholic Hospital is located, some 5,000 children are "AIDS orphans." One grandmother found herself caring for her 37 grandchildren since all her own 11 children have died from the disease. AIDS has spread rapidly in this African nation through blood transfusions which contain the AIDS virus. ♦ The Church in Uganda has stood by the people there through two civil wars; now again it stands with these suffering people. St. Joseph's offers medical assistance; there is also a Mobile Home Care AIDS Program and Orphans Program run by missionary Sisters. ♦ *Your gift through the Propagation of the Faith will help the Church in Uganda and throughout the Missions bring Christ's healing, saving love to the poor.*
