

Working with parishes to carry out the social ministry of the Church...

DIOCESE OF ROCHESTER

Catholic Charities

**Baptism calls us to leadership on behalf
of the poor and vulnerable.**

**Our parishes and agencies of Catholic Charities
respond to this call in partnership.**

Together we strive to put Faith into action through:

- **Direct Service** to people in need
- **Advocacy** for justice in social structures
- **Calling forth** people of faith and good will to do the same

Serving Your Health Care Needs . . .

St. Mary's Hospital is a Catholic community hospital, founded in 1857, whose purpose is to extend the healing ministry of Christ in the spirit of St. Vincent dePaul with emphasis on caring for all people with dignity, respect and compassion.

We are dedicated to excellence, accountability and innovation in responding to the community's changing healthcare needs. We strive to provide high standards of care by competent and caring staff in an atmosphere of concern for the well-being of the patient and each member of the family.

St. Mary's health care system has 18 primary care practice offices (Internal Medicine, Family Practice, Pediatrics and OB/GYN) located throughout the community, including Brighton, East Rochester, Gates, Henrietta, Irondequoit, North Chili, North Greece, Penfield, Rochester, and Spencerport.

St. Mary's and its affiliated physicians can serve your medical needs in a timely and convenient manner. Call 464-3519 to find a physician in your neighborhood who participates in your health insurance plan.
