We have a place for sports but a world for your child

NORTHEASTERN CATHOLIC JUNIOR HIGH SCHOOL

125 Kings Highway S.

Our sports program includes boys and girls soccer, basketball and softball, an award winning cheer-leading squad and

the availability of high school sized fields and gym facilities. Our mission is to use sports as one of many opportunities to nurture and respond to the gifts and interests of each child in the Northeastern school community. It may not be the diamond or court that provides the playing field for your child's excitement and joy, it may be the stage or classroom, the artist's pad or computer. We believe each child is a unique word spoken by God for the world to hear. Be assured that we will listen to it. 544-0560.
