In her younger years, Samantha Ashmore often resisted advice given by her older sister, Andi. She used to try to tell me where to go and when to come home," said Samantha, 17, a parishioner at St. Mary of the Lake Church in Ontario. "We used to get into a lot of fights because I said she wasn't my mother."
"I always said," Andi countered, "I'm the closest thing you've got - so hush up."
Andi, 22, explained that she often assumed a mothering role after their parents divorced several years ago and their mother left home.
Many sets of siblings can probably identify with the relationship between Samantha and Andi, where squabbling is frequent and loving sentiments often remain

unspoken. Sometimes can push that so permanent relationship. This past I a two-vehicle. She was thro during and I he skull and then a month and collar be she not been helicopter to
