You're kind, giving, and DOWNRIGHT DEMANDING.

At the Ad Council, we're demanding, too. We share your vision to improve the quality of life in our community. We're proud to work with the most charitable and humanitarian businesses in our community... yours.

In 1997, you supported the efforts of our volunteer professionals who provided a record \$1.4 million in marketing communications assistance that helped feed the hungry, care for the elderly, reduce illiteracy, and more. For this we thank you. Together, we look forward to accomplishing even more in the future.

Thanks.
