Camps Last a Lifetime.

At YMCA Camps, kids learn a variety of skills and face new challenges. They'll play team sports, climb ropes, and shoot archery. They'll create arts and crafts and perhaps act in a drama. They'll learn to sail, canoe, row, waterski, and swim in spring-fed lakes. They'll climb New York's highest mountain, trek ancient Indian routes, explore fields and streams, and ride horseback. Our specialty is to provide kids a summer they'll always remember!
