

FEATURE

Silver, gold, diamond, 65th weddings marked

The following couples are celebrating "milestone" anniversaries. Their names were submitted in response to a request in the *Catholic Courier* March 18, also sent to parishes and faith communities.

A number of couples submitted wedding photos; and we have included as many as could fit.

The *Courier* staff extends congratulations to these couples and to all couples living out the vocation of marriage.

Allen - 55
