For most of the Sundays of your life you have heard the stories tell of Jesus traveling through the Galilee, walking in the Garden of Gethsemane, bringing the Gospel to Jerusalem.

Could there be a better time than now, the time of Jesus' 2000th birthday, for you, as a Catholic, to take the same journey, to bring the Gospels to life, to enrich your own soul?

Now is the time to plan your trip to Israel — and the journey of your lifetime.

Whether you want to visit Israel on a pilgrimage with your priest, or on a personal journey of discovery, there will never be a more meaningful time to visit The Holy Land.
