

The stories you grew up with happened here.

The Sea of Galilee and the Mount of the Beatitudes.

Where else can you see and feel and touch the stories of the Gospel that you've heard in every Sunday mass of your life? Here, you can spend the night in a luxurious hotel in Nazareth. Travel in the morning to Cana where Jesus attended the Wedding Feast. Then go to Capernaum, St. Peter's hometown. Continue to the site of the Sermon on the Mount. Contemplate the simple and deep beauty of the Beatitudes.

On the shore of the Sea of Galilee, lunch on a meal of St. Peter's Fish — the descendants of the same fish that the disciples caught. Share a bottle of a highly-rated Chardonnay from our local vineyards. Then, journey to the terrific modern resort of Tiberias with its boardwalk, natural hot springs, great hotels and restaurants.

Where else can you visit a land as ancient as the first millennium and as modern as the next? As you celebrate, remember, whether you come to Israel on a pilgrimage with your priest, or on a personal journey of discovery, come to the land where time began.
