

AT ST. ANN'S  
WE KNOW A LOT  
ABOUT CARING FOR SENIORS.

*After all, we're 125.*

*At St. Ann's, we don't just care for seniors. We care about seniors. That's why, in addition to the attention given by our full-time medical staff, we care for the "whole person." By listening. Encouraging independence. And never forgetting that retirement means having the ability to do as little or as much as you please. To learn more, call 342-1700 or visit [www.stannscommunity.com](http://www.stannscommunity.com). You'll find we know exactly how to care for seniors. Which isn't surprising. After all, we're pretty senior ourselves.*
