

OUR DOCTORS AREN'T JUST ON-CALL.

They're on campus.

How can you be assured of immediate care if your doctor is a phone call away? You can't. That's why at The Heritage, we have full-time doctors on site. As well as a skilled medical staff. Need to see a pharmacist, podiatrist, dentist or eye doctor? Simply walk down the hallway. Our staff also performs frequent preventative care

check-ups. Plus, if a resident should need any form of rehabilitation, our Transitional Care Center is located right next door. Because the way we look at it, the hardest part of going to the doctor, shouldn't be going. To find out more about The Heritage, call 342-1700 and ask for Marilyn Yaniga or visit www.stannscommunity.com.
