FROM CHERRY RIDGE

FALL 2002

VOLUME 1, ISSUE 1

Cherry Ridge, Webster's newest residential senior living community combines the best parts of life to create your ideal retirement lifestyle — one that embraces living and will nurture your spirit.

You'll discover your own beautiful and private sanctuary at Cherry Ridge. Spacious apartments and charming cottage homes are surrounded by a natural ecosystem that creates both privacy and enjoyment. Escape from the bustling city in our manicured neighborhood nestled in woodlands that will offer winding walking paths, gazebos and benches for your distinct pleasure.

It's a place where an active, independent lifestyle is supported and enhanced through a multitude of programs and services. A place where you'll discover peace of mind from on-site assisted living and memory support, and priority access to skilled nursing, if ever needed, brought to you by St. Ann's Community, the area's leading senior health care provider. It's truly a place you'll want to call "home."
