

# The Experience Behind Cherry Ridge

**D**eveloping a high-quality residential senior living community like Cherry Ridge requires more than an understanding of the area and its residents. It also requires experience, and there is no substitute for more than 125 years.

That's what St. Ann's Community as the owner, operator and developer brings to Cherry Ridge. Using their considerable health care experience, St. Ann's will develop a complete retirement community designed for affordable senior living.

St. Ann's Community is a vibrant, multi-faceted senior health care

Rochester's premier source for quality senior services. Situated on more than 37 beautifully landscaped acres, St. Ann's offers independent living, a special care unit for dementia, skilled nursing, transitional care, short-term rehabilitation and adult day programs. "We are more than quality health care services. We also encourage companionship, independence and an active lifestyle through a wide variety of innovative programs and activities for a complete retirement continuum," says Betty Mullin-DiProsa, President & CEO of St. Ann's Community. "And Cherry Ridge is the perfect complement to our already established senior services umbrella."

With the support of St. Ann's Community, Cherry Ridge will combine the best senior living features to provide an active lifestyle focused on wellness of the mind, body and spirit. This is made possible through a timeless commitment to providing the highest quality services in a great location, all at a great value.
