

Join Our Breakfast Club!

September saw Cherry Ridge's first ever "Breakfast Club" held at the Atlantic Family Restaurant conveniently located near the newly opened Information Center. Area seniors gathered to meet each other and receive insightful information into the life choices of seniors today. It was not only an opportunity to enjoy a complimentary breakfast, but also a time to explore the retirement options available to make a truly informed decision for the future.

The Breakfast Club meets on a monthly basis, and you're welcome to join in on this fun and informative morning affair. For details on this or any upcoming events, call **(585) 697-6700**.
