

CATHOLICS IN UKRAINE NEED OUR HELP!

THE CATHEDRAL IN KIEV DEPENDS ON YOUR GENEROSITY

Please help support the Holy Father's desire to build a foundation of faith in Ukraine – The Cathedral of the Resurrection in Kiev. Ukrainian Catholics need our prayers and contributions to make the Cathedral a reality.

When it is built, this Ukrainian Catholic Cathedral will serve as the Mother Church for Ukrainian Catholics. It will be a symbol of a religious group that has virtually risen from the catacombs to flourish, following decades of Communist suppression and persecution.

"The Cathedral of the Resurrection will be dedicated to the Ukrainian martyrs of the Stalin era who were among the Church men and women who sacrificed their lives for their faith," says Bishop Basil H. Losten of the Ukrainian Catholic Diocese of Stamford, Connecticut, U.S.A. The Diocese of Stamford is raising funds in the U.S. for the cathedral's construction. "All Ukrainian Catholics have longed to see a church on the very soil where their Church was founded more than 1,000 years ago, and we need to help them realize this dream," Bishop Losten says.

The U.S. goal is \$10 million. Ukrainian Catholics truly need our help. Please call us today!

"Land of Ukraine, drenched with the blood of martyrs, thank you for the example of fidelity to the Gospel, which you have given to Christians the world over." Pope John Paul II said during his first Mass on Ukrainian soil. All Catholics in the United States now have an opportunity to help build a Cathedral in Ukraine and join the Holy Father in honoring Catholic martyrs, especially those whose sacrifice for their faith resulted in "mountains of corpses and rivers of blood under Communism."
