

RENEW. ENRICH. INVIGORATE. YOUR SPIRIT, MIND AND BODY.

For 130 years, St. Ann's Community has enhanced the well-being of older adults in the Greater Rochester Area. Today, we are continuing that mission by creating Webster's newest residential senior living community — **Cherry Ridge**.

RENEW your spirit among 41 wooded acres, with spacious apartment or charming cottage homes surrounded by the area's natural beauty.

ENRICH your mind with a wide array of services, amenities and support programs to help you achieve higher levels of personal and spiritual growth.

INVIGORATE your body with our continuing care lifestyle. Enjoy a wellness-based lifestyle complete with innovative programs and a wealth of opportunities for healthy living. You'll have complete peace of mind with priority access to assisted living and memory support on-site, as well as skilled nursing if ever needed, brought to you by St. Ann's Community.

Call (585) 697-6700 today and discover the inspiring, new retirement lifestyle for yourself coming soon to Cherry Ridge.
