in crisis

for strength

through Food For The Poor. Help us send nutritious food to the little ones waiting and praying for help.

At night, aching hunger pains pierce their empty stomachs.

God has used Food For The Poor as His instrument to feed His poorest children. It's amazing how collective Christian charity can work miracles in answering the prayers of the hungry! Father Burchell McPherson, pastor of Pope Pius X Church in Kingston, Jamaica, has seen this happen with his own eyes. Fr. McPherson runs a food distribution program that feeds many hungry children and their families. One day he ran out of rice. He had nothing to give after morning services. He prayed that morning to the Lord, reminding Him how much people depended upon the rice. During services, Fr. McPherson explained they had no food and reminded the people how Jesus fed the crowds

with only two fish and five loaves. He told them, "Those people were hungry too, and look at what Jesus did for them... He still cares for hungry people. I know something will happen."

While still celebrating services, a Food For The Poor truck pulled up to the church. It was filled with bags of lifesaving rice — enough for everyone. Jesus had answered Fr. McPherson's prayers — using Food For The Poor and generous people like yourself.
