

# rebuilding lives...

health would improve and the family would have a chance to move ahead.

A better life for Yvonne and her children would be an answer to their prayers — it would truly be a miracle.

## You can be part of a miracle.

The Caribbean has been devastated by one of the worst hurricane seasons in memory. Food For The Poor is committed to building simple, yet safe and sturdy homes for families like the Deshommes. For just \$2,000 you can give a complete house to a family. Or, you can pledge a gift of \$167 a month for a year to build a family a house and restore their hope. It will be an answer to their prayers — a miracle.

Please, join us in building miracles for the poorest of the poor.

*“For you are a refuge to the poor... shelter from the rain, shade from the heat.”*  
(Isaiah 25:4a)

Food For The Poor is undertaking an ambitious campaign to build 5,000 homes in 2005 throughout the Caribbean and Latin America. The loss of homes in the region due to hurricanes has only intensified the urgency of this project.

## 5,000 Miracles in 2005.

Though we have built more than 20,000 homes throughout the region, this is the first time we're trying to build 5,000 in a single year. With the help of compassionate and faithful friends, we can build quality homes for families who urgently need safe housing.

For only \$2,000, you can build a home and help create a miracle for a desperate family. Once the home is completed, you will receive a picture of the family you've helped standing in front of their new home along with a certificate of appreciation.

Living in houses that offer little protection from insects, rodents and the elements, children are more likely to develop skin diseases and other illnesses.

Food For The Poor has been helping the poorest of the poor in the Caribbean and Latin America for more than twenty years. Wherever there is a need, we are there: building homes for the homeless, feeding the hungry, treating the sick, educating children and caring for orphans and widows and much more.

Please, help Food For The Poor build a home for a destitute family in the Caribbean or Latin America. Any gift you give will make a difference in the lives of innocent children and their families.

When a little boy offered our Lord two fish and five loaves, Jesus miraculously multiplied it to feed the crowd of 5,000. Today, we can offer up our humble gifts together and build 5,000 homes for destitute families in His honor.

Families throughout the Caribbean and Latin America have been devastated by the recent storms and it is the poor who are hardest hit. They need your help to pick up the pieces of their shattered lives. For those who have suffered so much, a new home would be a miracle that you can make happen.

Please prayerfully consider being part of a miracle today and help change a family's life forever.

## Be part of a miracle today!

Will you help us bring the miracle of a new home to 5,000 destitute families in 2005? Your gift of \$2,000 (or \$167 for 12 months) can build a home that will be a constant reminder of Christ's love and compassion for generations to come. Use the postage-paid, tear-off envelope located in this publication to send your gift today.
